Gentlemen,

No. S.P.C. 28539-70. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the undermentioned schedule.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Oil Engine Driven Pump sets for Bhadra Reservoir and Tunga Projects" with the above enquiry number.

This enquiry will be closed on the 31st August 1954.

SCHEDULE.

1. Diesel Engine driven pump sets—The pump and the engine shall be mounted on a common structural steel frame work base plate and coupled by means of a flexible coupling and the entire set mounted on a portable trolly of four wheels fitted with solid rubber tyres.

The engine shall work on High Speed Diesel Oil and be of standard make to withstand outdoor work.

The pump shall be of the centrifugal type with horizontal spindle and split casing.

Capacity of Pump: Capable of discharging about 100 gallons per minute of fairly turbid water with sand particles against a total head of 60 to 100 ft.

The engine shall be capable of being cranked and started easily in all wheather and in cold condition.

These units are required for bailing out turbid rainy water in channels and also for supplying water for earthen embankment works on channels.

Accessories to be supplied with each set:—

(*a*) Foot valve with strainer.
(*b*) Suitable size inside armoured India rubber hose pipe two length of 25' each with coupling at either ends.
(*c*) Delivery house pipe of suitable diameter outside armoured India rubber. Three lengths of 25' each with coupling at either ends.
(*d*) Delivery sluice valve—One.
(*e*) One set of tools to overhaul the set.
(*f*) One set of piston rings—10 oversize.

Quantity required:—Twelve (12) Sets.

N.B.—1. Rates should be quoted separately for each of the pumpset and accessories.
2. Prices may be quoted for delivery F.O.R. Tarikere Railways Station (Southern Railways).
3. Sales-Tax, if any, should be quoted separately.
4. The earliest time of delivery should be specified.
5. Quotations may be submitted in duplicate.
6. Quotations will be opened at 2 P.M. on the next working day after the closing date.
